Ballooner Seriously Injured.

Mrs. James Chambers, known as Madame Stella Jagier, a balloonist, was seriously injured here Friday afternoon when a parachute failed to open in an exhibition flight. She fell from a great height, about 250 feet into a tree. She was taken to a hospital at Lexington.

The fifty yard dash for girls was won by Miss Martha Washington Duff; 100 yard dash, boys any age, by Orville Higley; 50 yard dash, boys under twelve by Frank Duff; 200 yard dash, boys, by Stanley Bailey; 200 yard dash, Doggett Palmer; Broad Jump, and Running Broad Jump both won by Stanley Bailey.

AN UNFORTUNATE FAIR

The street carnival held here last week brought a big crowd on Friday and Saturday and large crowds were here every night. Merchants and concessionaires all did well. The event was given under the auspices of the local band for the purpose of raising money to defray expenses. A little money was made—probably \$100 to \$125. The band soon found out after starting the thing that they had very little cooperation from local people and did not stand to make anything out of the affair. Friday morning a number of the town's worthies got their heads together in an attempt to stop the fair, which met with the approval of the majority of the band, and then another bunch of townfolk met with the members of the band and said that they could not stop the fair as it was advertised and folks were expecting it to continue and the boys agreed to see it through after they were promised a measure of local support. They couldn't stop there fore had to go on. The merry go round and other riding devices which were contracted for failed to put in their appearance. The man in charge of the minstrel show paid nothing for the privilege of showing owing to a loose contract which he was able to override. The lady balloonist made one ascension Friday and the parachute failing to open fell from a great height, seriously injuring herself. She has recovered to some extent and it is now believed she will live. The trouble spoken of was settled by closing some wheel concessions, a jingle board, and a gypsy fortune teller, who was said to have "gypped" out of money, a few who visited her tent. These places were closed up. Miss Ella Warner was the only entry in the popular lady contest.

The fifty yard dash for girls was won by Miss Martha Washington Duff; 100 yard dash, boys any age, by Orville Higley; 50 yard dash, boys under twelve by Frank Duff; 200 yard dash, boys, by Stanley Bailey; 200 yard dash, Doggett Palmer; Broad Jump, and Running Broad Jump both won by Stanley Bailey.

QUALITY VS QUANTITY

J. A. Coburn's Minstrels Tab Theatre, Mt. Sterling, Ky. Monday night, Oct. 9th, have established themselves as classy entertainers, their particular claim to popularity and patronage "Clean comedy and Quality" rather than quantity in numbers, or spectacular scenic display. Combining Oldtime and Modern Minstrelsy, fine singing, dancing and nothing but the best in Minstrel Vaudeville. That brings to witness, the oldtime darkey and the latest and best in vocal and instrumental numbers, the snap and pep of something doing, every minute, a laugh, jest, song and comedy. At rehearsals you hear "Coke's snap in it to boys, come, alive, on your toes, he is one of the bunch outside, performance, there they must deliver the goods. This year an all company costumes and scenic equipment, is said to be the best attraction he has had. For nearly twenty five years, each season a better and bigger show ("Ode of the best but not the biggest") they are the strong favorites in the list of seasons entertainers.

Adrian Duff, son of James Duff, and wife, of Sharpshurg neighborhood, and Miss Mary Ellen McClain, of the same neighborhood, were married Saturday at the home of the officiating minister Rev. R. L. Bailey.
